

NHC Summer Institute 2010 Registration Form page 1

At \$800 for adults, the Summer Institute is priced well below other week-long Jewish retreats across the country. (It's also a great value when you consider what seven days away plus all meals and activities would cost on a typical summer vacation!) However, we know that cost puts the Institute out of reach for some, so we make sure there are options for scholarship assistance, work-study, and deeply subsidized rates for children. All of these options are made possible through the generosity of our donors. If you would like to enable others to experience the Institute by making an additional tax-deductible contribution with your registration, it would be greatly appreciated. If possible, PLEASE REGISTER ONLINE at www.havurah.org/register.
